TO : Acting Commanding Officer, Project

25X1A2g

SUBJECT : Delegation of Authority

25X1A2g

1. Pursuant to your recent assignment as Acting Commanding Officer of Project [REDACTED], you are authorized and directed to issue regulations and advice to Republic Electric & Engineering Company as appear necessary, in line with my verbal instructions, to insure timely and successful operations of the Site. [REDACTED] Headquarters, in accordance with a memorandum of understanding, has issued sufficient instructions to their field locations and Contracting Officer to the effect that your regulations will be authenticated and your instructions will be supported.

25X1C4e

2. In connection with this delegation, you will comply with existing instructions and refer any questionable items to this Headquarters for advice prior to taking action. You are expected to establish such systems and procedures as are necessary for the successful completion of the assignment with due attention given to economy as well as property management.

3. A copy of this may be made available to KIDG if they desire.
